

For more than a century, Ajinomoto Co., Inc. has pioneered the development of new and innovative technologies used to manufacture and purify pharmaceutical grade amino acids. AJIPURE® amino acids are fermented using only natural vegetable-based carbohydrates as raw materials. Ajinomoto Co., Inc. never uses raw materials of animal origin in any production process. AJIPURE® amino acids stem from over 100 years of clinical and scientific research, yielding unsurpassed quality and purity. Industry leading purification processes allow quicker absorption, faster bio-availability, proven consistency and unrivaled efficacy.\* Ajinomoto Co., Inc. is the global leader in production, sales and research of amino acids used for medical, pharmaceutical, nutraceutical, sport, nutrition and health industries.

**SUGGESTED DOSE:** Use as directed by a health practitioner or for best results as a dietary supplement, mix one level scoop with blended fresh fruit or frozen fruit, yogurt, juice, smoothie, or apple sauce. Blend well for 20-30 seconds or until TryptoPure® powder is completely mixed. For general sleep maintenance, consume at least one serving 20 minutes prior to bedtime.\* For general mood maintenance, consume at least one serving daily.\*

**PURE & UNFLAVORED:** TryptoPure® is purposely unsweetened and unflavored so that you may mix it into an array of daily food preparations. For improved taste, try mixing or blending TryptoPure® with flavored yogurts, fresh or frozen fruits, nonfat milk, smoothies, coconut shavings, mixed nuts or any other favorite ingredients. For delicious recipe inspirations visit [www.ajipure.com](http://www.ajipure.com).

**TRYPTOPURE® STACKS UP:** Try stacking TryptoPure® with other AJIPURE® amino acids and other various powder preparations for an improved wellness boost.\* Try stacking TryptoPure® with ArgiFlow™ prior to bedtime for improved relaxation and to help promote healthy levels of growth hormone.\*

**TRYPTOPURE® ADVANTAGE:** TryptoPure® is the world's highest purity, fermented, vegetarian-source L-Tryptophan available on the global market. TryptoPure® is widely used around the world in intravenous solutions, as well as on the medical and consumer markets and is used within numerous specialty products. Ajinomoto Co., Inc. has been the world's leading producer of amino acids for nearly 100 years and has been producing pharmaceutical grade amino acids since 1956. Our amino acids are trusted for clinical research and used by medical doctors, hospitals, professional & Olympic athletes and professional health care facilities worldwide.

- **CONTRIBUTES** to healthy sleep patterns\*
- **HELPS** to maintain mood and a healthy appetite\*
- **SUPPORTS** healthy digestive system, skin, and nerves\*
